The court readjudged appellant, Jon Marcus D., a ward of the court (Welf. & Inst. Code, § 602) after Jon admitted allegations in a petition charging him with vehicle theft (Veh. Code, § 10851.) On May 21, 2001, the court aggregated a previous sustained petition, committed Jon to the Elkhorn Correctional Facility Boot Camp, and set his maximum term of confinement at one year four months.

Jon's appellate counsel has filed a brief which summarizes the facts, with citations to the record, raises no issues, and asks this court to independently review the record. (*People v. Wende* (1979) 25 Cal.3d 436.) Jon has not responded to this court's invitation to submit additional briefing.

Following independent review of the record we find that no reasonably arguable factual or legal issues exist.

The judgment is affirmed.
